

Township of Holmdel

COVID-19 Update
April 15, 2020

Message from Mayor Buontempo:

Good evening. This is Mayor Buontempo.

Tonight I again need to urge your assistance in supporting our first responders and medical professionals.

We are still collecting donations of personal protective equipment. Specifically, we need masks and gowns, which are constantly being used and need replenishment. If you or someone you know has any equipment that you would like to donate please email me at mayor@holmdeltownship.com.

Additionally, for those of you who have asked to make monetary donations, we have created a page on our [website](#) with organizations who are working through these difficult times including the Bell Works “Not All Heroes Wear Capes” program, which continues to provide lunches on a daily basis to all of our first responders, Bayshore Hospital, and those working at the PNC Covid Test Site.

I am humbled by the overwhelming generosity of Holmdel residents. Your support is truly appreciated. Together we will get through this emergency as a stronger community.

Thank you for your time and remember to stay home, stay safe and stay healthy.

Total Positive COVID-19 Cases in Holmdel: 139
