

Township of Holmdel

COVID-19 Update
April 29, 2020

Message from Mayor Buontempo:

Good evening. This is Mayor Buontempo.

Tonight I am pleased to announce that Holmdel will be resuming our large item drop off program in May. Thanks to the cooperation of Bell Works, our team has developed a plan that will allow us to remain in compliance with CDC recommendations and the Governor's Executive Orders, while still affording our residents who may have been doing some spring cleaning a safe opportunity to dispose of their large items. Mark your calendars, the events will be held on Saturday May 9th and Saturday May 16th from 8am-2pm at Bell Works. Due to the social distancing and venue restrictions, there will be some changes in the procedure. Please visit our website starting next week for this information, HolmdelTownship.com. I thank Bell Works for agreeing to work with us on this endeavor by generously allowing us to use the space.

Further, today Governor Murphy announced that State Parks will reopen on Saturday at sunrise. In addition, Monmouth County parks are following suit and many golf courses are also permitted to reopen at the same time. Strict guidelines must be followed so contact each location for specific information.

As always, I implore you to remain diligent in practicing social distancing and proper hygiene regardless of your age. If we continue to do so, we can begin to get to a "new normal".

As always, thank you for your time and remember to stay home, stay safe and stay healthy.

Total Positive COVID-19 Cases in Holmdel: 182
