

# Township of Holmdel

COVID-19 Update  
April 30, 2021

Good evening.

Beginning May 10th, the state of New Jersey will be relaxing several COVID-19 restrictions. As of that date, the limit for outdoor gatherings will increase from 250 to 500 people. Large outdoor venues with at least 1,000 seats will be able to operate at 50% capacity and the limit for certain indoor events, including catered events, weddings, and proms, will increase to 250 people.

I am anticipating that the state will continue to open-up over the coming weeks, hopefully allowing us to enjoy many of the same summer activities that we have in the past.

Below, I have provided Holmdel's current COVID-19 case numbers, as well as a link to New Jersey's Vaccine Finder webpage, which connects eligible residents with local vaccine providers. Additionally, New Jersey's six mega sites are now open to walk-in appointments. You do NOT need an appointment to get vaccinated at these sites and you do not need to be a resident of a specific county. Please see the information below for the locations of the mega sites and available hours for walk-in appointments.

You may notice that this week's numbers have been adjusted. In an effort to provide the most accurate information related to COVID-19, the state audited its positive case numbers and deleted 10,442 cases that were duplicates or errors.

We will continue to provide you with the latest, and most accurate information as it becomes available to us.

As always, I thank you for all you do to help move Holmdel Forward. Stay healthy and stay safe.

Goodnight.

Mayor Greg Buontempo
